- Ensure the highest standards of meat preparation, trimming, cutting and packing for orders and display.
- Developing a dedicated team of skilled butchers and provide training as needed
- Maintain inventory, order supplies, and manage stock rotation
- Uphold hygiene and safety standards that align with Safefood
- Contribute to the development of new product offerings
- Adhering to National Employment standards and Company Employment Policies
- Work alongside the General Manager to fulfil daily operations to achieve company KPI's

Qualifications:

- Proven experience as a Head Butcher or similar role in Australia – including reputable references
- Relevant Qualifications in meat processing (Cert 3 Meat Processing)
- Strong leadership and team management skills
- Excellent knowledge of whole-carcass butchery and processing
- Knowledge of processing Smallgoods (Ham, Bacon, Kabana etc)
- Proficiency with knife handling and ability to teach others
- Understanding of industry regulations and hygiene standards and daily Safefood reporting
- Ability to thrive in an autonomous role and fast-paced environment
- Creativity in developing new products
- Manual Drivers Licence (MR, HR and Forklift will be beneficial)

Benefits:

- Very competitive salary based on experience
- Opportunity for career growth and development
- Ability to develop a team around you
- 5 Day Working Week- will include rostered weekend work
